Case No. 1:21CR180-10

MOTION TO CONTINUE

NOW COMES DEFENDANT, through counsel, and moves the Court to continue this case from the August calendar. In support hereof, Defendant shows the Court as follows:

- 1) Defendant is charged with drug conspiracy and related charges by indictment filed May 24th, 2021.
- 2) The parties have not yet agreed on the terms of a plea agreement. Counsel requires additional time to discuss Defendant's options with him before a final determination can be made regarding this matter will be for trial or plea. As previously noted, counsel had shoulder surgery August 18th which has limited the time available for counsel to meet with Defendant.
- 3) Counsel does not believe the government would object to a continuance.

WHEREFORE, Defendant respectfully requests that this matter be continued to the October calendar.

This the 1st day of September, 2021.
